**DIVERSIFIED APPOINTS CHARLES E. WALLACE TO BOARD**

SCRANTON, Pa.–March 19, 2008–Diversified Information Technologies, a leader in data and document management services, announced today, through its Chairman, Clifford K. Melberger, the appointment of Charles E. Wallace to its Corporate Advisory Board.

Mr. Wallace currently serves as Partner at Heidrick & Struggles, a global executive search firm. He has over 35 years of experience defining and developing business strategies and strengthening executive leadership for organizations. Mr. Wallace received his bachelor's degree in electrical engineering from Bucknell University and earned his MBA from the Wharton School of Finance and Commerce at the University of Pennsylvania. Mr. Wallace has also served as Partner with McKinsey & Company, where he focused his consulting practice on industrial marketing, mergers and acquisitions, and general business strategy.

Wallace's experience in helping companies strengthen their corporate governance practices and in building effective boards and leadership teams will serve Diversified well as the company continues to expand and grow. Mr. Melberger emphasized, "It is time to take Diversified to the next level of growth in the data and document management industry. Charles' experience has prepared him well to contribute to the governance of our company and his expertise will definitely add value to the Board as it guides Diversified in a new strategic direction."
