**Scott A. Byers Appointed President & CEO of Diversified**

Scranton, Pa.—August 15, 2008—Diversified Information Technologies, a leader in data and document management services headquartered in Scranton, Pa. with 18 locations, nationwide and 4 internationally announced today, through its Chairman, Clifford K. Melberger, announces the appointment of Scott Byers as President & CEO. Byers has held leadership positions including C-level positions with organizations in a variety of industries. He most recently held the position of Vice President of Finance and General Counsel at Wilkes University. "Scott's leadership and technical skills as well as his track record of success make me very confident that he will lead Diversified to the next level of growth," Melberger said. Mr. Byers has a Bachelor's Degree in Finance and Accounting from Robert Morris University, an MBA from American University's Kogod School of Business, and a law degree from American University's Washington College of Law.

Melberger also announced the departure of Jan Thyren, who is pursuing other opportunities. "Jan is a talented and devoted professional who was key to Diversified's many successes, and we will miss her. We wish her well as she pursues the next stage in her career." Melberger added.

Melberger also announced the appointment of his son, Clifford A. "Mickey" Melberger, to the role of co-Chairman. "While Diversified transitions to one leader in Scott, the governance of Diversified needs to be transitioned as well. I will be working alongside Mickey and the Board to chart the company's strategic direction and monitor its growth and success," Melberger concluded.
