DIVERSIFIED PARTNERS WITH SHRED DOC

SCRANTON, Pa.–October 23, 2008–Diversified Information Technologies, a leader in data and document management services, headquartered in Scranton, PA with 18 U.S. and 3 international locations, announced today, through President & CEO Scott Byers, that Diversified will no longer use in-house resources to deliver mobile document destruction services and instead will partner with Shred Doc to provide these services to Diversified’s clients.

“It is our goal to provide clients with the highest level of quality in any of the services we offer”, Byers said. “Shred Doc’s core competency is mobile document destruction. They have focused their resources, and have the expertise and industry certification that will benefit our clients. Providing the best to clients is our ultimate goal”, he concluded.

Questions can be directed to Josephine Panganiban at the number listed above.

About Diversified Information Technologies

Headquartered in Scranton, Pennsylvania and founded in 1982, Diversified Information Technologies helps clients transfer paper-based file management systems to a secure, electronic environment, allowing its customers to access and share files, invoices and other documents. In addition, Diversified provides availability solutions, electronic mailroom processing, automated forms and healthcare claims processing, and archival records storage.
